

Supervision Throughout the Career of a Clinician: Panel Discussion

Thursday, February 18th 7 PM
Hillside Hospital
690 Courtenay Drive, NE
Atlanta GA 30306

Supervision enhances professional skills and knowledge, while developing self-awareness throughout a clinician's career. GSCSW recognizes the importance of supervision and is hosting a panel discussion which will include topics such as:

Low-cost Supervision

Supervision for LMSW

Individual vs. Group

What to expect out of Supervision

Supervision after you receive your LCSW

Tracking Supervision Hours

Supervision at Work vs. Private Supervision

Supervisor's Qualifications
